### **Jerseys**

Effective this season, Play Sports Hawaii will be taking over the ordering of team jerseys in an effort to keep cost down for our families. Teams with existing Jerseys can keep those jerseys, but if they need to order new jerseys, you can order through us. The cost of the Jersey is \$20.00. The design can be similar to what you already have, but not exact. The coach will work directly with the designer to come up with a jersey design. Payment for jerseys must be made before we can place the order. Jerseys (fully sublimated) will be the same quality as the teams have now.

If teams decide to stay with the printer they have now, it will be their option, but new players will be charged a jersey and flag fee.

Double Roster Players – At the discretion of the coach, the team may use players registered in a younger age division to help fill their roster. Double Roster players are charged \$50.00 registration fee for their second team if paid 3/11 – 3/25, \$65.00 if paid 3/26 – 4/22 and \$75.00 if paid 4/22 – 5/6.
