Jerseys

Play Sports Hawaii orders most of the teams jerseys. Some teams take care of their own jerseys. Play Sports Hawaii passes on the cost to the parents (no profit made). Teams with existing Jerseys can keep those jerseys, but if they need to order new jerseys, you will need to order through us. The cost of the Full Sublimated Jersey is

\$25.00 for youth sizes and \$30.00 for adult sizes (Small-XL). The coach will work with the designer to come up with a jersey design.

Soft Helmets

Soft Helmets are not mandatory, but we highly encourage the use of the soft helmets and will be mandatory starting in 2020. We have had a few injuries with players running into each other, etc. We sell the helmets for \$30.00 each. They will have to be ordered, so we suggest you place an order at least 2 or more weeks prior to the start of the season. These helmets may not prevent all concussions, but it does help reduce the possibility.

Players that register online as New Players are charged \$25.00 for youth size jersey, so if you need to order an Adult size (Small-XL), you will need to pay the additional \$5.00. Larger sizes will cost more.

Payment for jerseys must be made before we can place the order.

Jerseys (fully sublimated, short sleeve) will be the same quality as the teams have now. Teams may elect to order another style of jersey (compression, sleeveless, long sleeves, etc.) Parents will be responsible to pay the extra charge, if any.

Players that register and pay by 10/1/19 should receive their jersey by the first game. Anyone that registers after 10/1/19 may not receive their jersey until the 2nd, 3rd or 4th game. It all depends on how busy the printer is.

Double Roster Players – At the discretion of the coach, the team may use players registered in a younger age division to help fill their roster in an upper division. This cost does not include mouthpieces, flags, jerseys or trophies/medals. You cannot register for a double roster online.
