

Play Sports Hawaii (PSH) is an established Non-Profit Organization dedicated to providing Hawaii's youth with a high quality education in personal health and teamwork through sports participation.

Our purpose is to offer sports activities as an opportunity for self-growth and personal development. We strive to instill our core qualities of Commitment, Sportsmanship, and Teamwork.

PSH has teamed up with Play 60, the National Football League's campaign encouraging kids to be active for 60 minutes everyday. PSH offers a year-round youth flag football league for kids ages 3 to 15.

Our Registration Fee is based on actual cost for each player. We do not exist to make a profit and our Staff are volunteers.

We have 2 teams that have won the NFL Flag National Championship games during Super Bowl and Pro Bowl Week. The 12U Packers, coached by Ladd Mokiao won the 2015 12U Division Championships in San Francisco and the 10U All Blacks Crusaders, coached by Jon Amano and Kamani Yamashita won the 2016 10U Division in Florida.

We also have many other teams in our league that have participated and won Flag Tournaments in Hawaii, California, Arizona, Nevada, Texas & Florida.
