

Play Sports Hawaii (PSH) is an established Non-Profit Organization dedicated to providing Hawaii's youth with a high quality education in personal health and teamwork through sports participation.

Our Purpose is to offer sports activities as an opportunity for self-growth and personal development. We strive to instill our core qualities of commitment, sportsmanship and teamwork.

PSH has teamed up with Play 60, the National Football League's campaign encouraging kids to be active for 60 minutes every day. PSH offers a year-round youth flag football league for kids ages 3 – 15. PSH is also a member of the NFL Flag Association.

Our registration fee is based on actual cost for each player. We do not exist to make a profit and our staff are volunteers.

We currently have 3 teams that have won the NFL Flag Championship games during Super Bowl and Pro Bowl Weeks. Our teams have also participated and won other tournaments in California and Nevada.
